# What We Do

## Minor Home Maintenance and Repairs

First Richardson Helpers volunteers provide minor home maintenance and repair service, with a key focus on safety issues in the home.

Typical repairs are the type that can be completed in one to three hours, or over a couple of work sessions.

We help seniors and others with special needs who live in the city of Richardson or Richardson Independent School District (RISD).

First Richardson Helpers does not charge for the labor that we provide. All donations that we receive are tax deductible to the extent allowable by law, and will be used to help others.
